

American Association of University Professors

Results of 2010 Survey of UCO Administrators

In the Fall 2010 semester, AAUP-UCO sent out invitations to approximately 449 full-time faculty members asking them to participate in its annual online survey of administrators. The survey asked general approval ranking questions about administrators and a question about the most important issue facing UCO faculty. As of December 22, 2010, 185 faculty members had responded. Below, you will first find the overall university-wide results followed by the individual college results, which also include the dean and associate dean questions. Faculty members also left comments. The Executive Committee of AAUP-UCO thanks those who participated in the survey.--Kurt Hochenauer, khochenauer@uco.edu
