

RESOLUTION

SSR 2015/2016-001

I. Resolution Name:

Modification of three lots from commuter parking to multi-permit parking.

II. Committee Assigned/Sponsoring Committee:

Personnel, Policies, and Compensation Committee

III. Justification/ Stated Resolution:

Whereas: Campus parking can be difficult to find.

Whereas: Many Faculty & Staff have to come and go from campus during the workday.

Whereas: In the past decade, the number of full-time employees (faculty and staff) has increased by 29% and the number of part-time employees (faculty and staff) has increased by 56%. In contrast, student enrollment has increased by 8%.

Whereas: There are no multi-permit lots on the south side of the UCO campus.

Whereas: Parking lots on the south side of campus have been removed to make space for new buildings (Forensic Science, CTL) thereby reducing parking for employees and students.

Therefore, be it resolved that the UCO student lots 6 (northern half), 11 (eastern half), and 12 be changed from commuter lots to multi-permit lots.

IV. Resources

Money to change signage

V. Offices that may be affected

Transportation and Parking Services

Passed by consent of the UCO Staff Senate on this 1st day of December, 2015.
